

MIDDLE SCHOOL TOURNAMENT

Nine middle school teams are competing in a post-season tournament during the week of May 15-20. The clubs are divided into two pools and will play a round-robin schedule within the pools. At the completion of pool play, the teams will be seeded 1 through 5 based on records and will, at the agreement of the respective coaches, have the opportunity to play against the equal seed in the other pool on Friday, May 19. Thus, the two number 1 seeds will meet to determine the tournament winner; the number 2 seeds will play for 3rd/4th place, etc. The complete schedule follows. Games may be shortened or played with running clocks to get all 3 games completed each night. **Please note game times for second and third games at each site are approximate. Games will begin as soon as possible after previous game.**
