A day-long celebration to culminate the season, LaxFest has become an annual tradition in the YCLA. This year's event is being organized by the Eastern York Area Recreation Commission (EYARC) and is scheduled for Saturday, May 19th at Lower Windsor Township's Rexroth Park. The event includes eight games, featuring players from each of the 13 clubs and all levels of play. In each of the games, the clubs will be divided into two teams, a North squad and a South squad. With the exception of the senior game, each club will send 4-6 players to represent them in an all-star format.

The festivities begin with three high school-aged games in the morning. The centerpiece of the morning hours is the Senior Game where every senior in the YCLA is invited to participate and to go against one another one final time. Youth games will follow in the afternoon, followed by a Coaches' Game, which closes the day at 4:00pm..
