TO: YCLA Board Members and Coaches:

On behalf of the YCLA Executive Board Competition Subcommittee, I would like to thank everyone involved in the 2008 YCLA Tournament. Without the help and support of everyone who played, coached, organized and participated, we would not have been able to produce such a great event this year. The 2008 YCLA Tournament was huge...

The 2008 YCLA Tournament consisted of 56 games held over the 5 days following the 2008 LaxFest event. All 13 YCLA member clubs sent teams to the tournament. 941 lacrosse players participated in the tournament from 50 different teams. The following clubs hosted games, and are due a huge thank you:

Spring Grove (15 games); Red Lion (9 games); Shooting Irish (8 games); Eastern York (7 games); Central York (6 games); South Western (5 games); New Oxford (3 games); York Suburban (3 games)

In addition, thanks are due to Steve Connaghan and Tim Mooney of the CPLOA for ensuring all games were assigned officials. The final results are in:

### True Swiss Tournaments (U9 & U11 Levels)

For this tournament type, the YCLA Tournament is played in a True Swiss format. Each participating team plays three games which are randomly selected. At the end of the tournament, teams are ranked according to the number of points each scored during the course of their games. This tournament type is considered non-competitive and coaches should strive to ensure adequate playing time for all players.

2008 YCLA Tournament True Swiss Results (top four officially recorded):

U9	U11
Warrior (Murphy) 45 Points	West York (Sweitzer) 38 Points
West York (Lichty) 33 Points	Central York (Yantek) 30 Points

Dallastown (Bates) 24 Points	Dallastown (Hackett) 24 Points

### Single-Elimination (U13, U15, JV Levels)

For this tournament type, the YCLA Tournament is played in a Single-Elimination format. Each participating team is guaranteed one game in the randomly seeded opening round and can only advance to a later round by winning games. This tournament type is considered competitive and coaches should attempt to win games. The team that wins the championship is deemed the 'YCLA Champion' at their level for the current year.
