

York County Lacrosse Association (YCLA) presents...

PARENT WORKSHOP

“The Second-Goal Parent: Developing Winners in Life Through Sports”

This workshop explores the three stages of talent development and allows parents to share their ideas about what they want their children to get out of youth sports. Parents gain insight into the training the coaches are receiving to become “Double-Goal” coaches (coaches who want to both win AND develop the character of their players).

FROM THE FOUNDATION OF THE ASSOCIATION

“Thanks to the generous support of US Lacrosse and PCA, we are excited to offer this interactive workshop for our Parents. We have completed the Leadership Workshop for our Board, the Coach’s Workshop for 150 of our Coaches and now we can include our Parents. If this were horse racing, they would call it The Triple Crown. The adults who will participate in this final Workshop will understand why we are building our Positive Culture around PCA.”
