TO: YCLA Board Members and Coaches:

On behalf of the YCLA Executive Board Competition Subcommittee, I would like to thank everyone involved in the 2009 YCLA Tournament. Without the help and support of everyone who played, coached, organized and participated, we would not have been able to produce such a great event this year.

The 2009 YCLA Tournament consisted of 43 games held over the 5 days following the 2009 LaxFest event. All 13 YCLA member clubs sent teams to the tournament, resulting in 47 teams participating this year. The following clubs hosted games, and are due a huge thank you:

Spring Grove (10 games); Eastern York (9 games); Warrior (9 games); Central York (5 games); Shooting Irish (4 games); West York (3 games); Northern York (2 games); New Oxford (1 game)

In addition, thanks are due to Tim Link of the SPLOA for ensuring all games were assigned officials, and to the officials of the SPLOA for doing a fantastic job. The final results are in:

2009 YCLA Tournament Results (U9, U11, U13, U15 Levels)

The YCLA Tournament is played in a Single-Elimination format. Each participating team is guaranteed one game in the randomly seeded opening round and can only advance to a later round by winning games. This tournament type is considered competitive and coaches should attempt to win games. The team that wins the championship is deemed the 'YCLA Champion' at their level for the current year.
