*The mission of the York County Lacrosse Association is to ensure a unified and responsive organization that develops and promotes the sport of lacrosse by providing collective support to help the players, parents, coaches and officials to inspire participation, while preserving the integrity of the game. We envision a future which offers boys and girls in York County, the opportunity to discover, learn, participate in, enjoy, and ultimately embrace the shared passion of the lacrosse experience. We believe that our collective efforts will result in our public, private and Catholic schools embracing and supporting the sport of lacrosse within the next five years.*
